CALL MEETING TO ORDER:

DRB Chairman G. V. Hughes called the regular meeting of the Downtown Revitalization Board to order at 6:30 P.M..

DISCUSSION/ACTION REGULAR MEETING MINUTES OF MARCH 20, 2007:

A motion was made by Roy Pelton and seconded by Janet Hamner to approve the meeting minutes of March 20, 2007. Motion carried, all voting aye.

DISCUSSION/ACTION ON MAIN STREET PARKING DESIGN:

The Board was informed that the prior parking options they were presented in prior meetings were incorrect. Staff gave the Board two other options for parking. One was parallel parking with two-way traffic and no green space or head in parking with one way traffic and green space. The Board as well as representatives from the Downtown Alliance agreed that the head in parking was preferred. Staff will bring the action back before the Board in May to make sure that all parties involved are informed. At that time, the Board will vote and with approval, the action will be taken to the City Council in June.

ANY OTHER BUSINESS: Johnny informed the Board that we may possibly have an agenda item concerning Dr. Johnson's plan.

ADJOURN:

With no other business before the Board a motion was made by Roy Pelton and seconded Janet Hamner to adjourn the meeting. Motion carried, all voting aye. Meeting adjourned at 6:42 P.M.
